THE MINISTER OF STATE IN THE DEPARTMENTS OF EDUCATION AND CULTURE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI L.P. SHAHI): (a) to (c) To evolve a programme on basic research in science and technology and technical and management education during the 8th Five Year Plan, the Planning Commission had set up two separate groups on these topics under Prof. C.N.R. Rao, Chairman, Science Advisory Council to the Prime Minister (SAC-PM). Based on the deliberations of these Groups, reports containing several recommendations have been submitted to the Planning Commission. These reports were also used by SAC-PM to make suggestions for improving science and technology education activities relating to basic research and technical education during the 8th Plan. The recommendations for action include recognizing some national laboratories as institutions deemed to be universities, establishing Inter-University Centres in advanced S&T areas, initiating a programme for improving our better institutions as IITs, IISc, etc. to enable them to become institutions
